# **ALEX PASTERNAK** 7-8 PM / 9:45-10:30 PM

The Brooklyn- based DJ and drummer, Alex Pasternak, will make guests dance with a DJ set that captures his broad influence of Spanish, African and Brazilian music. Alex has lived in Spain for few years and his eclectic repertoire combines international tastes and textures. He is a good example of an artist that absorbs the Mediterranean essence and mixes it up to the coolest of Brooklyn.
